

## Kodak s1220 Photo Scanning System

# Save \$300 on a Kodak s1220 Photo Scanning System with 11- by 17-inch Flatbed

Create a new revenue stream—and save now—when you buy the **Kodak s1220 Photo Scanning System** with 11" x 17" Flatbed. It's a great way to get customers' pictures out of their shoeboxes and albums—and onto CDs, DVDs, or flash drives.

- Scan up to 30 photos per minute, including mixed weights and sizes, and random orientations
- Create JPEG images at 300, 600 or 1200 dpi
- Smart Touch feature makes operating and scanning one-touch easy
- Scan prints, postcards, documents and other memorabilia from 2" x 2.5" to 8.5" x 34"
- Use the flatbed to scan old, fragile or wider items
- Automatically straighten images
- Continuously feed photos while a batch is scanning
- Correct red eye, color balance or contrast on single prints or an entire batch
- Scan one or both sides of prints
- Create more sales through added-value photo items, like mugs, T-shirts, tote bags, customized albums and more

### Purchase now and get \$300 back

If you buy a **Kodak s1220 Photo Scanning System** with 11" x 17" Flatbed between July 1, 2009 and December 31, 2009, you'll receive a \$300 rebate directly from Kodak. Now's the time to help customers do more with their prints and generate added sales.
